

October 23, 1944

Dear San Siro,

Thank you for the first service you sent me, but a few modifications are needed after changes which took place on the other side of the lake. For what concerns military informations, it will be well to send them together with O-21 service, so as not to have duplicates. You will send to me directly all that concerns counter-espionage ~~xxxx~~ service, that is all information with which I may identify agents working for the OVRA, the GESTAPO or other information organizations of the Republican or Nazi regimes. All this material you will send with the same courier.

A certain Jones is said to have been denounced by Captain Lazzarini himself. He has got in touch with anti-fascist or reactionary circles in the region of Luino, and says he is an Allied or American agent. Captain Lazzarini assures us that he is a dangerous nazi-fascist agent. Warn all those in the region who might be interested in him and send me all useful information concerning him.

I would also be grateful to you if you could send me as many papers as you can with the weekly courier, daily papers, weeklies, clandestine papers, interesting only numbers, etc. Naturally this service would be paid separately, although it would come always with the same courier.

I also must know exactly to how much amount the expenses for counter espionage in the region Luino-Sesto, possibly opposite shore of the lake, and also in other regions where you think possible to place active people. BUT BE CAREFUL. THIS IS A VERY DELICATE SERVICE. NO DENUNCIATIONS ONLY IF THEY ARE PROVED BY FACTS. DO NOT TRANSMIT RUMOURS BUT CONTROL AND INDICATE ONLY PEOPLE OF WHOM YOU ARE SURE THEY ARE ACTING AGAINST US. WE BEAR THE SOURCE IN MIND FOR EVERY INFORMATION, AND IT IS DIRECTLY RESPONSIBLE FOR EVENTUAL ABUSE.

Therefore, I beg you to send down with the next courier an account of the expenses for the counter espionage service, and an account of expenses for the papers and newspaper informations in general, and then I will be able to send you funds and tell you how far I want to go.

In the meanwhile please let me have a receipt for the letter I had asked you to give Como and which is requested from me.

I am waiting from news from you. Regards and best wishes

Il Giro di San Siro.
